FOURTH VICTORY IN ORDER IS CHALKED UP BY LOCAL FIVE.

St. Michael's, Boys Club Doves Pawtucket With Ease, 43 To 20.

The St. Michael's Boys' Club basketball five won its fourth straight victory of the season Saturday night, defeating the Pawtucket Boys' Club of Pawtucket, 43-20.

The superior passing of the local Ukrainian five gave it an advantage that the Pawtucket club could not overcome. J. Kokolski and Alec Barylick starred for the locals, scoring 12 and nine points respectively for their quintet. Farley played well for Pawtucket.

St. Michael's is not scheduled to play this week in the "Y" City League but will face the Glenark five on Dec. 22. The two teams are tied for first place in the league and neither has been defeated thus far this season.

HAMTRAMCK, MICH.

A Ukrainian Football Team.

I have seen articles in the "Svoboda" from almost every State in the East, and Ohio and Illinois from the Midwest. This one also comes from the Midwest, from Hamtramck, Mich.

Probably many of you readers do not know where Hamtramck is located. Hamtramck is a town of 60,000 population surrounded by Detroit on all four sides, East, West, South and North.

There is one High School in

Hamtramck, and it is called the Hamtramck High School. Hamtramck High School is a member of the Metropolitan League which is composed of 18 schools in Detroit and its metropolitan area. The Hamtramck High School Football team this year is represented by four Ukrainian boys who are first-stringers.

Co-Captain, John Boyko, All-City and All-State tackle, is from last year's championship eleven and candidate for All-State this year. He stands 5 feet 7 inches and weighs 205 pounds. John played his last game for Hamtramck High, on November 26, for the city championship, defeating Cooley High 20-7.

Peter Kozar, 16 year old sophomore tackle, weighs 180 pounds and stands 5 feet 10 inches. Pete is best in blocking punts, two of which were turned into safeties and many of which were turned into touchdowns. He also was chosen on the Mythical All-City team.

Walter Loiko, letterman from last year, is one of the best backs on the team. He stands 5 feet 8 inches and weighs 165 pounds. Walter was a star in the championship game scoring two of the touchdowns. He will be back next year.

Alex Loiko, brother of Walter, stands 5 feet 10 inches and weighs 170 pounds. Alex played left end on the team, and his end never was turned. A smart player and a man who always was under the punts. He'll be back next year also.

There are many more Ukrainian boys on the second and third strings. They will all be back next year fighting for the regular positions on the next year eleven. Hamtramck elevens have always been represented by Ukrainian boys.

In one of the recent issues of the Detroit Times, a Hearst Newspaper, there appears in one of the articles the following statement, "The Hamtramck High School Team of this year is one of the best High School team in the nation, if not the best." They have been undefeated for three years and have been scored on but three times in three years.

A law teacher whom I know personally and who played football with a strong Michigan team back in 1905 when Willie Heston was in his prime, said, "When Hamtramck took the field on November 26, for the championship game, I thought it was a College team. Why, you know they will heat a lot of small college

teams. It was the first High School game I saw this year and if I knew they were that good I would have made arrangements to see every one of them."

Beloved By Ukrainians.

Mr. James was beloved by the Ukrainian colony of the village. He shared in their annual festivals until his health prevented. He wrote poems and sketches concerning their customs and celebrations; knew most of the group by name, and brought their names into his writings in fitting manner. On many occasions the advice in legal matters by Mr. James, who was a Notary Public for many years, proved valuable to the newcomers to the Velvet Village. During his long sickness representatives of the Ukrainian colony called at his home to lend a helping hand, which was greatly appreciated.

The Ukrainian newspaper published many of his writings in poetry in prose, after translating them.

R. I. Historical Society.

Mr. James was affiliated with the Rhode Island Historical Society and other associations, and people came from beyond the limits of the State to consult him regarding genealogy, early history of Rhode Island, and to chat about the early days of Crompton. One only has to turn back the files of the Times a few years and there he will find a series of articles kindly submitted by Mr. James which give a wealth of information concerning the history of Pawtucket Valley and many of its leading citizens in generations past.

If all of the writings of Mr. James could be published in volumes the collection of books would be a welcomed and treasured addition to any library. The data compiled by him serves as a monument to his great hobbies—Rhode Island history and genealogy.
